“We love Belmont Central! We were nervous about schools because we moved here from Illinois... Belmont has great schools and we are so happy to be in this town!”

“I have nothing but positive things to say about this school! The faculty is amazing! They truly do care for the kids! Thank you for guiding our children!”

“Both of my children have attended this elementary school and have been surrounded by caring teachers and administrators during their time there. School safety and high academic expectations are the hallmarks of this community school.”
