

Chapel Grove Elementary School

Home of the Wildcats

The Mission of Chapel Grove Elementary School is to work in collaboration with families and communities to provide an educationally challenging program for every student.

STUDENT CENTERED

At Chapel Grove, we provide students with an individual learning experience through the implementation of globally researched and data driven instructional practices. Chapel Grove holds quarterly ceremonies to recognize student accomplishments for grades, behavior, citizenship, and grade level expectations.

FAMILY ORIENTED

Chapel Grove is a community school with strong community involvement, with families that have a long history of attendance at Chapel Grove. We engage with our community through annual events such as Meet The Teacher, Great Pumpkin Festival, Polar Express, Father-Daughter Dance, Mother-Son Beach Blast, Spring Field Day, and other choral / musical performances.

LEADERSHIP DRIVEN

Chapel Grove provides students with opportunities to participate in Robotics Club, Safety Patrol, Media Assistants, ROAR Squad, Girls on the Run, Let Me Run, Student Council, Battle of the Books, Math Masters, and Are You Smarter Than A Gaston County Fifth Grader?. In addition, staff are driven to pursue research based professional learning and highly qualified certifications.

S.T.E.A.M. FOCUSED

At Chapel Grove, all students participate in Innovation Station and MakerSpace. These programs provide hands-on activities for students that focus on STEAM topics: Science, Technology, Engineering, Art, and Math. Students also participate in Media, Guidance, Art, Music and Physical Education.
