Welcome to your Request for Reassignment Family Dashboard!

Step #1 Add a student to this account. 1. You will be prompted to create the first student. 2. If you plan to open or enroll multiple students, then you will need to add those additional students using the 'Associate Student' button. 3. It is recommended that you add all students before completing the application(s).	Step #2 Submit your application. 1. Click the 'Begin Request' button to begin the process of selecting an available Request for Reassignment option. Please remember that not all students meet the criteria for Student Reassignment. Once you select the button, you will be asked to select the correct options so that we can complete your request(s). 2. You must submit a request for each student for which you wish to request a Student Reassignment.	Step #3 Upload any required documentation. (if applicable) 1. Click the 'View/Add Docs' link in the submitted application via the Family Dashboard. 2. Attach your required documentation, then return back to the Family Dashboard to review and/or submit additional applications.

Important! Don't forget to upload required documentation, if applicable. You can upload these documents once the application is completed using the 'View / Add Docs' link on the Family Dashboard.

Important! If your reason for this request is "Child Care", the Childcare Verification Form MUST be completed by the childcare provider and notarized before submission to Harnett County Schools. Click [HERE](#) to download the Childcare Verification Form. Once completed, you may upload via the Family Dashboard after your application is submitted.

Important! No more than one reassignment request per student will be granted each year.

Important! All Kindergarten students must register at the school in their attendance area before applying for reassignment.

9. Select the name of the student who you are completing an application for.
